## Scores Table for The Coliseum

### A. Description

- a. We are looking to obtain funding to purchase a new scores table for The Coliseum. The current scores table is just over 15 years old.
- b. With the upgraded scores table, it would be a more up to date look, have the correct colors and logo for the school. This would also be very good branding when used during sporting events.
- c. This equipment would be put into use right away during the 2022-2023 Basketball Season. With hosting a two tournament in November, multiple non-conference and conference matches, an updated scores table would show off the branding and colors of Western Texas College to the many fans in attendance.
- d. The equipment can be evaluated by the use of it and how long the equipment will last.
- e. With the purchasing of the scores table – there would be no equipment needed as the company provides all necessary items. The total cost of \$8,723 includes a: 24 ft. Score's Table – LED backlit, 3 year warranty on table frame, 1 year warranty on all other components, premium hardwood construction with laminate countertop, safety pads in WTC colors, heavy duty shatterproof polycarbonate protection for displays, arrow possession, and shipping costs.
- f. If the funding provided does not cover the full amount, we will look into other fundraising options to raise the remaining amount needed to complete the project.
