

WTC FOUNDATION INSPIRE PROGRAM

The WTC Foundation Inspire Program provides a straightforward method for staff and faculty to directly request funds from the WTC Foundation for projects supporting education and cultural activities or campus improvements and development.

As an institutionally-related foundation, all projects must directly relate to Western Texas College and be administered by the College. Examples of eligible projects include, but are not limited to:

- technology enhancements with direct student benefit
- resources for creative teaching techniques
- launching innovative instructional programs
- initiatives to increase student achievement, success, and retention
- support for art, music, and cultural programs
- sponsorship of distinguished lecturers
- improvements to physical campus space

Eligibility: Any full-time Staff, Faculty, or Administrator of Western Texas College.

Amount: Up to \$5,000

Review Criteria:

- Who will this project affect and how will this benefit WTC students or employees?
- Is this project aligned with the vision for WTC?
- Evaluation – how will they evaluate the success of the project?
- Clarity and completeness of proposal
- Special consideration given to projects where additional sources of funding are available to help fund entire budget.

Due Date: April 21, 2023

Restrictions:

- Ownership of materials produced as a result of this award will be in accordance with current policies of Western Texas College.
- In addition to the final report, if applicable, applicant will provide Western Texas College Foundation with one complete copy of all materials produced.
- Applicant agrees to present project or report to Western Texas College Foundation Board, if requested.
- The expenditure of funds and request for reimbursement must be in the same fiscal year.
- **Approved funds must be used within same fiscal year as indicated in terms of award.**

Please return completed applications to the Western Texas College Foundation, Attn: Sheila Hale, in the Library Resource Center, Building 2, Room 119.

Questions? Call Sheila Hale at Ext. 7943 or email sheila.hale@wtc.edu

Western Texas College Foundation INSPIRE Program

Completed applications must be received on or before the due date (April 21, 2023) to the WTC Foundation located in the Library Resource Center (Building 2) OR via email to sheila.hale@wtc.edu. Applicants are encouraged to submit all necessary documents as soon as possible to assure that a last minute delay will not preclude consideration for a program award.

1. APPLICANT INFORMATION

FIRST NAME: TARA LAST NAME: Camp
DEPARTMENT: marketing TITLE: Website Coordinator
EMAIL ADDRESS: tara.camp@wtc.edu PHONE: 325-574-6532

2. PROJECT

Project Name: The Dude Court Renovation
Fund Amount Requested: \$ 5,000.00
Amount of funding from other sources for project: \$ Ø
Have you applied for funding before from the Western Texas College Foundation? YES NO
If yes, for what project and how much did you receive? _____

Project Abstract (In the space below, please provide a one to two sentence description of project):

This is a renovation to improve the basketball court nearest to west to be visually appealing and useful to students.

3. PROJECT PROPOSAL

Please prepare a project proposal (no longer than 2-3 pages) that includes the items listed below. Additional pages may be included to provide supporting documentation if needed.

- A. Description
- Provide a detailed description of the proposed activity or program
 - Outline how completion of the proposed activity will benefit students, the department, division or the institution. Is there a community benefit?

- c. Detail the implementation plan.
- d. Explain how the activity or program will be evaluated.
- e. If applicable, list the equipment and materials needed to complete the project.
- f. If the amount requested does not fully fund the project, what other sources of funding are available?

B. Expenses

- a. Outline all *proposed* expenses. Be specific. The Western Texas College's policy on reimbursable expenses applies to all actual expenditures, e.g. travel, supplies, etc.
- b. Please inform the Western Texas College Foundation of any other sources of funding available for this proposal.
- c. If awarded, you will need to provide copies of all receipts for approved expenditures.

I understand and agree to the following provisions:

- 1. Ownership of materials produced as a result of this award will be in accordance with current policies of Western Texas College.
- 2. In addition to the final report, if applicable, I will provide Western Texas College Foundation with one complete copy of all materials produced.
- 3. I agree to present my project or report to the Western Texas College Foundation Board, if requested.
- 4. The expenditure of funds and request for reimbursement must be in the same fiscal year.
- 5. **Approved funds must be used within same fiscal year as designated by terms of award.**

Inspire Grant Project Proposal: The Dude Court Renovation

A.

- a. Detailed Description of the proposed activity or program.
 - i. There will be two benches installed on either side of the court along with repainting of the court to have court lines and marking.
 - ii. Two new basketball backboards, rims, and nets will be purchased and installed.
 - iii. A light will be installed to provide use of the renovated court day or night.
- b. The completion of the proposed renovation will benefit students to get outside and stay active, interact with other students, and have fun! Bringing life to a space that seems uninviting and nonexistent will brighten up another location on campus. It is my hope that I will continue to see more students utilizing the newly renovated space and enjoying their time here at Western Texas College. Another bonus would be adding customized, engraved, plaques that are dedicated in honor of The National Society of Leadership and Success and Phi Theta Kappa Chapters of WTC. Showcasing those honor societies, that I am personally a part of at WTC, would promote awareness and encourage other students to pursue the highest level of academic excellence.
- c. Once approved for the requested funding we can order the benches and have TDI install the new benches at the court. I will also order the new basketball backboard and net to have installed upon arrival. The final task that would have to be planned due to weather, would be the repainting of the court. Once we can get the paint supplies and paint ordered it would be a matter of temperature and condensation.
 - i. If the purchase of two additional benches is not approved, the current benches located at the sand volleyball court could be relocated to the newly renovated space.
- d. The renovation would be evaluated based on the increased usage of the space by students.
- e. The materials needed to complete the project would be the benches, backboard with rim to install and tools to install those. Paint kit with spray would be all you need to do the markings. The light would need to be installed along with tools. Benches would need to be installed into the ground.
- f. If the amount requested does not fully fund the project, we can reevaluate the cost of the basketball equipment and scale back to a lower-quality item that may not have as long of a warranty or repaint the backboards personally until the opportunity comes around to finish the renovation.

B.

- a. The expenses would consist of the purchase of the benches cost around \$800 each back in 2019. The Bison Basketball Backboard, Rim, and Padding would cost \$4, 274.00 for two. The court stencil kit will be \$189.00, and the solar outdoor light would be \$149.99. This brings a total of \$4,612.00.
- b. There are no other sources of funding available for this proposal.
- c. I will provide copies of all receipts for approved expenditures.

DESCRIPTION**BRAND**

The OFC423E Bison conversion backboard rim package is the most economical way to convert side courts with fan backboards to sidecourts with full-sized, glass backboards. This conversion backboard package can be installed by a capable maintenance crew. The backboard has a frame that matches the mounting pattern of you fan board to the new glass backboard. This package includes a standard 42" short unbreakable backboard, ProTech breakaway goal, and Duraskin indoor backboard padding. The backboard is pre-drilled for original DuraSkin backboard padding and is constructed of 1/2" tempered glass, as well as aluminum framework. For great visibility, there is a bright white border and shooters square on the board. The DuraSkin indoor backboard padding comes in 17 different colors, is extremely thick and is constructed of durable foam molded-in steel. The ProTech breakaway goal is made for 42" glass backboards only. It features a heat-treated ball and socket and a positive lock mechanism that provides excellent rebound consistency over the life of the goal. It has a steel cover-plate and continuous netlocks.

FEATURES**Package includes:**

- **Backboard**
 - Model BA42XLC
 - 42" short unbreakable XL glass
 - 42" x 72"
 - 35"W x 20"H rear structure mounting pattern
 - White border and shooters square
 - Aluminum framework
 - 1/2" tempered glass
 - Predrilled for DuraSkin backboard padding
 - **Meets NFHS specifications**
 - Unconditional lifetime warranty
- **Goal**
 - Model BA35S
 - ProTech Breakaway goal
 - For 42" glass backboards only
 - Rim mounting hole pattern is 5" x 4"
 - Heat-treated ball and socket, positive lock mechanism
 - 1/4" rim support
 - Steel cover-plate
 - Continuous netlocks
 - Includes competition net and mounting hardware
 - **Meets NCAA and NFHS specifications**
 - **Meets NCAA rule regarding rebound elasticity**
 - Unconditional 3-year replacement warranty
- **Padding**
 - Model BA68U
 - DuraSkin indoor backboard padding
 - Mounts to all 72" wide glass backboards
 - 17 colors
 - 10-year unlimited warranty
